Correction to: J. For. Res.

<https://doi.org/10.1007/s11676-023-01607-4>

During production process, the superscript numbers were inadvertently normalised and has been published online with errors.

The superscript has been updated in the abstract section, Table 2, Table 3, Table 4 and Table 5.

The original article has been corrected.
